School Song

2. There are famous schools in plenty,
With their heroes by the score;
And they flourish high and mighty,
But La Salle is something more.
(**Chorus**)

3. From her lofty station pointing,
To the sky's majestic dome;
She would have us ever minding,
That above is our true home.
(**Chorus**)

4. Come whatever kind of weather,
Come the stormy days along;
When the old boys get together,
They will always sing this song.
(**Chorus**)

Chorus: We are sons of La Salle everyone,
And no matter where we go;
High aloft her flag we will hold,
And strive that her fame may grow.

Message from the Supervisor

Every year we look forward to receiving this beautifully produced school magazine. And not only receiving, but browsing and reading as takes our fancy. The magazine somehow seems to sum up a full academic year's work, the fruit of the harvest as it were.

And what a harvest we have! We trace the staff and students through the myriad activities of their colourful school lives. We see them at work, at play, praying, caring and sharing, rehearsing and acting, speaking, reading and singing, drawing and…In such fashion is school life made memorable.

Our parents are both the visible and invisible hands supporting the staff in ways large and small. They are sensible parents, always wanting the best for their children, without spoiling them. In such fashion our boys are prepared to face the world with confidence.

In August 2012 we will be saying farewell to our Principal, Mrs. Emily Leung. Mrs. Leung's record speaks for itself. She has given her heart and soul to the school, never tiring, never complaining, and always seeking the welfare of all. There will be occasions, formal and informal, to express our gratitude to Mrs. Leung. In the meantime we wish her good health, long life and the blessings of our Heavenly Father.

A final word of thanks goes to our Editor-in-chief, Mrs. Brenda Wong, and to her hardworking Committee members. Thank you for placing this little gem in our hands. It will shine and sparkle and brighten up our days.

May our Loving Father shed the light of His face upon us.

St. John Baptist de La Salle,
Pray for us!

Rev. Bro. Patrick Tierney

Message from the Principal

Every year, when the new issue of the school magazine is published, I spend hours and hours reading every page with great excitement and enjoyment. From what was printed in this fine publication, whether in the form of words or photos, I am happy to see that our students have not only experienced a colourful and joyful school life, but have also attained many achievements in a multitude of subjects and activities.

Due to the education reform, our School has played an evolving role in educating our students. Instead of just pursuing academic excellence, we are now also focusing on nurturing our students to be self-directed lifelong learners, critical thinkers and productive members of the society. With the concerted efforts of all the teachers and parents, we work together to provide our students with an atmosphere for multi-faceted development, so that they have the opportunity to identify, nurture and exhibit their special skills and talents. I am confident that this kind of strong home-school cooperation will continue to flourish in the years to come.

I would like to take this opportunity to remind our students that they should be thankful to their parents and teachers. Without their love and care, our students would not have nearly the opportunity to realize their potentials in the pursuit of excellence.

On behalf of the School, I would like to express my deepest gratitude to the Editor-in-chief, Mrs. Brenda Wong, and her team for devoting so much time in preparing this year's school magazine. I am sure all the readers will highly appreciate their hard work and effort.

May the blessings of our Heavenly Father be with us always!

St. John Baptist de La Salle,
Pray for us!

Mrs. Emily Leung

English Reporters

The English Reporters was a group set up to encourage excellent students in P.5 and P.6 to practise new writing and public speaking skills. 10 students took part in this weekly activity.

During the first term, the students had the opportunity to learn how to debate. They also had the opportunity to practise writing in different genres, from editorials to interviews.

During the second term, the students in the English Reporters participated in the "Campus TV Activity", for which they wrote and enacted a short piece, which was then recorded using the Campus TV facilities.

English Enhancement Programme

A teacher was invited to join La Salle Primary School this year to help develop an English writing curriculum for P.1, P.2 and P.3 classes.

In P.1, students had the opportunity to learn and practise basic grammar, syntax and vocabulary, by writing about everyday situations such as going to the beach or talking about a friend.

In P.2, students got to explore more complex sentence structures and a lot of new vocabulary through exercises about animals, sports, or seasons. A lot of emphasis was put on the proper use of adjectives.

In P.3, the curriculum shifts from grammar and vocabulary to the study of different writing styles. Our students had the opportunity to discover various new writing techniques, from writing a letter to writing a short story.

My Mother

My mother is like the weather
Changing, unpredictable
Summer and winter together
Peaceful yet horrible

Flowers blossom on sunny days
Mom carries her smiling face
Like the sun, so warm and bright
Embraces me with all her might

Her words a joyful bird song
Gives me pleasure, makes me strong
We laugh, we dance, we play
Sorrows gone without a trace

Lightning cleaves the stormy air
As mom shoots me an angry glare
Thunder, the room shakes
at my smallest mistake

Darkness towers over my head
Counting my faults, turning me red
Pleading not guilty I beg for mercy
Will you ever forgive me?

However bad the weather gets
A rainbow always shines through
Whether the weather be good or bad
I still whisper, "Mummy, I love you."

Reflections on the Tour 交流後感想

6B Chui Ming Hin 徐銘軒：

透過這次親身接觸祖國土壤的活動，加深了我們對國家的認識，亦更令我認同自己是一個中國人。

6F Kwok Ho Kan 郭浩勤：

在交流後的分享會中，讓我們在認識祖國之餘，亦同時培養獨立思考能力，真是獲益良多。

5A Ng Cheuk Ngai Isaac 吳倬毅：

在參觀大亞灣核電廠前，核電站給我的印象十分負面，是很容易發生意外的。但參觀過核電站後，我卻完全改觀了。原來核電是一種潔淨的能源，而且核電廠有三層防止核泄漏的屏障，並可以在兩秒內停止運作。經過今次的交流計劃，加深了我對祖國的認識。而祖國在發展經濟之餘，亦重視綠色生態和環境保護，這令我意識到環保的重要，決定從今天起要珍惜地球的自然資源。

Writing Competition Outstanding Award 遊記寫作比賽 優異獎

5E Hui Chun Hin 許俊軒

記得在交流團出發那天的大清早，氣溫只有攝氏八度，天氣異常寒冷。我穿上厚墩墩的羽絨大衣，興高采烈地返回學校集合。

經過兩個半小時的車程後，我們終於來到了第一個學習景點—大亞灣核電站。工作人員先播放一齣有關核電的電影給我們觀看。之後，他們便帶我們到展覽廳參觀核電站的模型和向我們講解核能發電的資料。接着，我們來到山上的觀景台，從高處俯視下來，核電站的整組建築物十分雄偉壯觀，令我們大開眼界。

吃過午餐後，我們便向惠東港口海龜國家級自然保護區進發。保護區內有海龜救護中心、標本館、展示廳等教育基礎設施。在保護區的參觀過程中，讓我學會了如何去保護海龜。接着，我們乘車到古漁村去。那裏骯髒得像一個垃圾站，臭氣薰天，此乃當地居民妄顧環境衞生，隨意拋棄垃圾所致。

第二天清早，我們來到了中國第二大的西湖—惠州西湖。西湖風光明媚，景色怡人，美不勝收。

最後一個景點就是惠州博物館，讓我們對惠州的發展歷史有更深刻的了解。午餐後，我們便啟程返港。我拉着一箱污衣，帶着一臉倦容，懷着一腦子難忘的回憶，依依不捨地踏上歸途。

在這兩天的旅程中，令我認識到中國科技的先進發展，亦感受到鄉間的環境正遭受嚴重的破壞，喚醒我除了注重科技發展之外，亦不能忽視環境保育。

20th Children Silver Tongue Contest
第二十屆「兒童金口獎」比賽

Lam Hei Long from class 6A won the 20th Children Silver Tongue Contest in July 2011. The contest was organised by North District Junior Chamber with the aim of promoting biliteracy and trilingualism in children. Hei Long went through a series of challenges and he showed his magnificent language skills. He was 4th in the contest. He was given a chance to join a 4-day trip to Okinawa in Japan and take part in an international summer camp for cultural exchanges in August.

由北區青年商會主辦的「兒童金口獎」比賽，本年以「愛己、愛家、愛國，建立和諧社會」為主題，旨在推動兒童「兩文三語」的發展。決賽在二零一一年七月舉行。本校6A班林希朗同學在決賽中表現出色，奪得殿軍殊榮，更被委任為「香港文化交流大使」，在八月初代表香港出席在日本沖繩舉行的「國際兒童文化交流營」，與當地和台灣的小朋友作文化交流，分享學習心得。

The 4-day trip to Okinawa was an unforgettable experience for me. The camp was exciting. I learnt how to pitch a tent with my friends and we found that it was not easy at all. We enjoyed our time at the beautiful beach and we experienced the Okinawan style of "fishing". Also, I was impressed by the starry sky at night. The visit to Okinawa gave me a unique exposure to Japanese culture and experience working with others.

我能有機會到沖繩參加為期四天的文化交流營，感到萬分榮幸。在交流營裏，我學會自己搭帳篷，過程雖然一波三折，但也嘗到成功的喜悅。此外，我更體驗了沖繩的一種獨特的「釣魚」方式，能讓魚兒「自投羅網」，鑽進魚網內，使我既驚喜又雀躍。晚上，沖繩的夜空繁星閃閃，讓我印象難忘。四天的文化交流營不但讓我對日本的文化加深了認識，更讓我學習到與人合作和相處的技巧。
